Previously, on August 29, 2001, Applicants Young Suk Chung, Suk Gu Ko, Sung Sik Jang, Young Nam Choi, Won Chul Do petitioned the Commissioner to accept the filing of the above identified U.S. patent application without participation by Byung Hoon Ahn and Jae Hun Ku. The previous petition was denied in a Decision mailed on October 29, 2001. Briefly, the petition was denied because Applicants did not provide proof that Byung Hoon Ahn and Jae Hun Ku were provided with a complete set of the application papers.

The Applicants through assignee Amkor Technology, Inc. have now provided Byung Hoon Ahn and Jae Hun Ku with a complete set of the application papers, including an Inventor Declaration. Byung Hoon Ahn and Jae Hun Ku have not, however, executed the Inventor Declaration or otherwise provided the cooperation requested of them. By their inaction, Byung Hoon Ahn and Jae Hun Ku manifested a refusal to participate in the application.

As proof of these facts, Applicants are submitting herewith notarized declarations of Axel Chan and Lynn Tok Kwee Hoon. As set forth therein, Ms. Hoon hand delivered the complete application papers, along with an Inventor Declaration form, assignment form, and a cover letter from Axel Chan to the offices of Byung Hoon Ahn's and Jae Hun Ku's counsel on November 19, 2001. Their cooperation was requested. However, no cooperation from Byung Hoon Ahn and Jae Hun Ku was forthcoming, despite the fact that Mr. Chan sent several reminder letters to their counsel. This conduct is consistent with the facts presented in the papers initially submitted for this Petition, which are incorporated herein by reference. Over a long period of time, Messrs. Ahn and Ku have not cooperated.

Accordingly, since Byung Hoon Ahn and Jae Hun Ku were provided with a copy of the application, but did not sign the Inventor Declaration or otherwise cooperate with the request that they participate in the application process, Applicants submit that the Commissioner should grant the petition, and allow applicants Young Suk Chung, Suk Gu Ko,
